

Dear Talmud Torah Parents,

I would like to welcome you all to the Vav class of the 2009-2010 school year. My name is Sarite Nichols and I will have the pleasure of teaching your children this up coming school year.

I am very excited to be the first teacher at Beth El Congregation to introduce the Etgar Program. Janette and I spent a part of our summer being trained in this very comprehensive and interesting curriculum. I'm looking forward to getting in the classroom and getting the year off to an exciting start! In order for me to implement some of the programming, I will be asking for some parent volunteer help through out the school year. This Sunday I will be asking for that help. I need some parents to help me with the first program on August 30th. It will take up about an hour of your time.

If you have any questions at anytime, please feel free to contact me by email, [vav.bethelphoenix@gmail.com](mailto:vav.bethelphoenix@gmail.com).

Shalom,

Sarite Nichols
